Meet our Speaker!:

Deana is a Daughter of the King who finds JOY wherever He leads her. She has spent her lifetime serving kids and their families at home as well as overseas on mission trips. From preschool ministry to church camp, she's always ready to lace up her shoes and share God's good news! Deana is also an avid lover of nature and the outdoors! You can find her walking or running around the neighborhood, camp or in mini marathons. Her love for the mountains has provided her the opportunity to hike from the Smokies in the USA to the Atlas mountains in Morocco. She enjoys the sound of the waves crashing during her walks on the beach. Deana also loves the simple pleasure of fishing with her family. Did you know that she actually competed in a Ladies Bass tournament and WON! She took home both trophies for the biggest bass as well as the most weight caught? She was able to tease her late husband about that for years! Deana is so richly blessed by God and she looks forward to sharing His love and the many blessings with others.

“Unplugged”

Romans 12:2

Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will.
