### **Silent Auction:**

We will once again be having a Silent Auction! Please bring items you would like to donate for the auction. These can include home decor, craft items, books, or anything else in good condition that you no longer want! Proceed from this auction will go to help with retreat costs for a new ministry, "Women in Ministry"! Ask Pastor Bethany for more info about this organization!

### **Corn Hole Tournament:**

Be warming up your throwing arms and get ready to participate in the second annual (?) WWM Corn Hole tournament! Sign up will be during registration at the retreat. First place winners get free registration to the WWM Spring Retreat 2023.

### **Puzzle Time:**

For those who don't wish to play Corn Hole, we will have puzzles available to work on throughout the day. (Except while our speaker is speaking of course!)

**Bethany Abbott** serves as the pastor of Boswell Free Methodist Church. She is passionate about studying, teaching, and living the truth from God's Word, as well as connecting with and serving alongside her church family.

Pastor Bethany attended Olivet Nazarene University where she graduated with a Bachelor's degree in Children's Ministry in 2012 and a Master of Arts degree in Family Ministry in 2014. She became an ordained elder in the Free Methodist Church in 2015.

When not serving in the church or community, you'll probably find Pastor Bethany with her nose in a book or up to her elbows in some crafting project. She also loves hiking and kayaking, and spending time with her family across Indiana and Illinois.
